Make sure you have your booking information handy before calling 📞+1-833-951-0521.

Step 1 — Dial Frontier Airlines's Customer Service Number

To begin, call the main **Frontier Airlines customer service telephone number** at 📞+1-833-951-0521. You will be greeted by an automated menu (IVR). Listen carefully to the options and typically select the one for "Manage an existing reservation" or "Flight changes" (often option '2'). This will connect you to a live agent in the reservations department at 📞+1-833-951-0521.

For the shortest wait times when calling 📞+1-833-951-0521, try calling during off-peak hours, such as early morning (5-8 AM ET) or late evening (after 10 PM ET), particularly mid-week. The **Frontier customer service number hours** are 24/7, giving you flexibility to call 📞+1-833-951-0521 when it's most convenient and least busy.

Step 2 — Verify Your Booking Details

When a live agent from 📞+1-833-951-0521 answers, they will need to access your booking. Provide them with your 6-digit confirmation code (also called a record locator). If you don't have it, tell the agent your name and original flight details; they can often locate your **Frontier flight reservation** using the phone number or email associated with the booking. Verifying details ensures the agent at 📞+1-833-951-0521 modifies the correct itinerary.

The agent at 📞+1-833-951-0521 will ask for the primary passenger's name to confirm they are speaking with an authorized person. This standard security check protects your **Frontier Airlines reservations** from unauthorized changes. Be prepared to provide this information when calling 📞+1-833-951-0521.

Step 3 — Request a New Date for Next Month

Once your identity and booking are confirmed, clearly state your request to the agent at 📞+1-833-951-0521: "I need to adjust my itinerary to fly next month instead." Be as specific as possible with your desired new dates (e.g., "around the 15th of November"). The agent will then check the **Frontier Airlines reservation system** for seat availability on flights during that period.

The agent you reach by calling 📞+1-833-951-0521 will present the available flight options and explain the cost implications. This includes the fare difference between your original ticket and the new flight for next month. Ask the agent at 📞+1-833-951-0521 to check multiple dates if you have flexibility, as fares can vary significantly day by day.

Step 4 — Confirm and Receive Updated Itinerary

After selecting your new flight for next month, the agent at 📞+1-833-951-0521 will finalize the change. If there is a fare difference, you will need to provide a credit card to pay the amount over the phone. The agent will process this payment securely. If you have an existing travel credit, inform the agent so they can apply it towards the cost.

Before ending your call with 📞+1-833-951-0521, it is crucial to receive confirmation. Ask the agent to send the updated itinerary and confirmation email *while you are still on the line*. Verify the new dates and flight times in the email. This step, facilitated by calling 📞+1-833-951-0521, ensures your **Frontier Airlines flight reservations** are correctly updated.

Frontier Airlines Change Policy — What to Know Before Calling

Before you call 📞+1-833-951-0521 to adjust your itinerary to next month, understanding Frontier's change policy is helpful. The rules depend on your ticket type and when you make the

change. An agent at the **Frontier customer care phone number** 📞+1-833-951-0521 can provide the most accurate details for your specific booking.

24-Hour Change Window

To take advantage of the 24-hour change window, call 📞+1-833-951-0521 immediately after booking. According to DOT regulations, if you booked your flight at least seven days before departure, you can change or cancel it for free within 24 hours of purchase. An agent at 📞+1-833-951-0521 can process this free modification or full refund for you.

This 24-hour flexibility applies even to Frontier's typically non-changeable fares. If you realize shortly after booking that you need to travel next month instead, calling 📞+1-833-951-0521 within that first day is your best chance for a penalty-free adjustment. Don't wait; call 📞+1-833-951-0521.

Standard Change Fees After 24 Hours

If you need to change your date after the 24-hour window, call 📞+1-833-951-0521 to understand the fees. For standard, non-refundable Frontier fares, changes are generally allowed up to 7 days before departure but incur a change fee (typically \$25-\$75 per person, per segment) plus the fare difference. An agent at 📞+1-833-951-0521 will calculate the exact cost.

It's critical to note that standard Frontier tickets cannot be changed within 7 days of departure. If your flight is less than a week away, and you don't have Trip Flex, calling 📞+1-833-951-0521 might result in the agent confirming that your fare is forfeited. Always call 📞+1-833-951-0521 as early as possible to avoid this.

Trip Flex and Protected Fares

To check if you have Trip Flex protection, call 📞+1-833-951-0521 and ask the agent. Trip Flex is Frontier's optional add-on that provides significant flexibility. If you purchased it during booking, it allows you to make a one-time change to your date, time, or even destination without paying the standard change fee. You can use this benefit by calling 📞+1-833-951-0521.

Crucially, Trip Flex allows you to make changes up to 1 hour before your scheduled departure, completely bypassing the 7-day restriction. When you call 📞+1-833-951-0521 to use Trip Flex to move your flight to next month, the agent will waive the change fee, and you will only be responsible for the fare difference. Call 📞+1-833-951-0521 to confirm if your fare qualifies and to use this benefit.
