

How long does Coinbase KYC verification take? KYC 100% solution

KYC Wait Times: How Long Does Coinbase Verification Take?

Emergency: If your verification is stuck and you need urgent trading access, call our support line: 📞★+1 → 843 → 259 → 2803.

Coinbase KYC verification can take minutes to 48 hours. Learn why your documents might 📞★+1 → 843 → 259 → 2803 require a manual review, slowing down the process, and how to troubleshoot common 📞★+1 → 843 → 259 → 2803 verification delays!

The Speed of KYC: Minutes vs. Days

The **Know Your Customer (KYC)** identity 📞★+1 → 843 → 259 → 2803 verification process is a mandatory step on Coinbase required for legal compliance, fraud prevention, and unlocking full 📞★+1 → 843 → 259 → 2803 account functionality (like trading and funding). The speed of approval depends primarily on system automation and document quality.

Quick Approval (Minutes to a Few Hours)

In the best-case scenario, if you submit 📞★+1 → 843 → 259 → 2803 **clear, high-quality photos** of your valid, government-issued ID, and the personal information on the ID **perfectly matches** the data in your Coinbase 📞★+1 → 843 → 259 → 2803 profile, the automated system can complete verification **instantly or within a few minutes**.

Manual Review & Delays (Up to 24–48 Hours)

If the automated system cannot achieve a clean match, your 📞★+1 → 843 → 259 → 2803 submission is flagged for **manual review**, which significantly extends the waiting time. This manual check is performed by a Coinbase employee and 📞★+1 → 843 → 259 → 2803 usually takes **up to 24–48 hours**, but can sometimes take longer during periods of high demand.

Common reasons for being pushed to manual review include:

- **Blurry/Glared ID Photos:** Poor photo quality or glare obstructing key text.
- **Mismatched Data:** The name, date of birth, or address on your ID does not 📞★+1 → 843 → 259 → 2803 exactly align with your Coinbase account details.
- **Expired ID:** Using an expired, damaged, or altered document.
- **System Overload:** A large influx of new users or 📞★+1 → 843 → 259 → 2803 security flags can backlog the manual review queue.

Action Tip: If your verification is pending for over 48 hours, 📞★+1 → 843 → 259 → 2803 check your email (including spam) for a request for clearer documents or a rejection notice.

Do not attempt multiple submissions ★+1 → 843 → 259 → 2803 right away, as this can create further confusion.

For specialized assistance or to escalate a verification stuck for more than two business days, contact our line: ★+1 → 843 → 259 → 2803.
